Our complimentary airport shuttle service is available on a daily basis for the hours listed above. This time has been established to cover most flight arrivals and departures for our guests.

To serve you best, we ask that you call the hotel at **(614) 885-1600** and indicate your flight number, arrival time and cell phone number 24 hours in advance of your estimated time of arrival to schedule your pick up.

We are located about 30 minutes (One hour round trip) from the airport and will make every effort to meet you in a timely manner. We request your patience during peak arrival and departure times or during inclement weather. (Due to our distance to the airport and varying traffic conditions, delays are possible).

Please be aware that airport regulations require us to meet you at the designated shuttle area, located outside of Baggage Claim. We operate a white, 10 passenger van, identified with a "Hilton Columbus/Polaris" sign on the door.

While priority is given to our Airport Shuttle Service, we do offer local transportation within a five mile radius of the hotel that is available on a first priority basis. Please inform our Front Desk of any specific appointment times 24 hours in advance.
